VISION SNAPSHOTS

BIG THINK BIG
 BY 2025, we will see...

INCLUSIVE MEMBERSHIP
 Inclusive membership from a diversity of organizations and individuals

MUST-HAVE TRAINING / PROGRAMMING
 We have a variety of training programs, resources and events that stretch beyond the Standards of Good Practice.

REIMAGINE EDUCATION ABOARD
 Forum will have played a major role in guiding and facilitating the reemergence of global education

MEMBER ENGAGEMENT
 All Forum members (institutions and individuals) have engaged with a Forum event or program

INTERNATIONAL EXPERT
 The Forum on Education Abroad is recognized as an international expert and is recognized globally as THE standards setting body in education abroad.

EDUCATION ABOARD IN ACADEMICS
 Education Abroad has made a demonstrated contribution to student learning goals and outcomes in such a significant way that education abroad has been integrated to every academic major.

MISSION-ALIGNED PARTNERSHIPS
 The Forum will have developed partnerships with mission-aligned organizations within the field and outside.

GLOBAL CITIZENS
 The Forum has developed a strategy and framework for including issues of equity, diversity and inclusion and the recognition of the roles that power and privilege play into intercultural learning that informs global citizenship - including a set of suggested attributes, skills, outlooks that define/suggest what it means to be a global citizen.

DIVERSIFY FUNDING
 The Forum has new sources of funding and revenue, thus enabling a larger percentage of member fees to be focused on creating benefits/resources that focus on members' successes and engagement which will create pathways for underrepresented groups and members of all kinds.

MEMBER IMPACT AND OUTCOMES
 Members can articulate the value of Forum services and resources that help them to achieve their organizational/institutional goals.

WIDELY CITED RESEARCH
 We are regularly sought out to collaborate on new research projects and our research is widely cited by educators, the media, and other internal and external audiences.

EXPAND TO SECONDARY EDUCATION
 The Forum has expanded its reach beyond post-secondary to serve secondary education abroad

An Illustrative Example

Vision Snapshots

Think Big

INCLUSIVE MEMBERSHIP

Inclusive membership from a diversity of organizations and individuals who are engaged with education abroad from the U.S. and around the world

THINK BIG:
Vision Snapshots of what we aspire to see at the end of 2025

Start Small

- We have diversity in our membership and engage them in our board, council, staff, committees working groups

START SMALL:
Vision Snapshots of what we aspire to see at the end of 2021 and 2023 respectively.

Scale Fast

- More diverse members from HBCUs, minority serving institutions, international institutions, community colleges

Headline Indicators

- Once membership data are collected further, compare to existing data available within field of education abroad (in U.S. and worldwide)

HEADLINE INDICATORS:
What we will measure and manage to track our progress.

Critical Initiatives

- Identify appropriate methods to collect membership engagement data for both individuals and organizations, to include demographics.
- Identify and cultivate Forum/brand champions within organizations
- Collect and identify data on organizations represented within Forum - to include regions (within U.S. and global regions), organizational types
- Track 'engagement' of individuals within organizations to gauge where and how members are connecting with Forum services and programs
- Include a wider set of members within each member organization

CRITICAL INITIATIVES:
Projects and Action Items we will need to complete to create the visions we're working to create.

INTERNATIONAL EXPERT

The Forum on Education Abroad is recognized as an international expert and is recognized globally as THE standards setting body in education abroad.

Start Small

- We have named the entities of The Forum that we would like to be more represented. (For example, CCID - Community Colleges for International Development UNCF - United Negro College Fund, ACA - Appalachian Colleges Association, HACU - Hispanic American Colleges and Universities, Department of State - Study Abroad Division)
- The Forum has chosen a world region to establish itself as an expert."

Scale Fast

- Authoritative standard setting bodies in major regions of the world reference and recognize The Forum as the standard setting body for global educational practice and quality.

Headline Indicators

- Number and depth of partnerships (breadth and depth)
- List of those bodies provided to membership and codified affirmation of Forum's pre-eminence in standard setting in the United States and around the world.

Critical Initiatives

- Assess partnerships that would be more productive for depth for long term resonance and impact
- Reach out to relevant organizations
- Explore online digital media publications and partners
- Focus on 1 to 2 regions first
- Pursue registry with additional relevant governmental entities
- Pursue registry with department of education in addition to department of commerce
- Forum will identify beyond the US borders standard setting bodies with whom it would build relationships with a view to becoming recognized as the standard setting organization for that body.
- Increase bandwidth for ability to host conferences, professional development beyond Western Europe
- Identify new opportunities in the Global South
- Develop a saturation campaign around that message.

WIDELY CITED RESEARCH

We are regularly sought out to collaborate on new research projects and our research is widely cited by educators, the media, and other internal and external audiences.

- Digital catalog of current relevant work curated and shared with membership and study abroad community

- We have identified our target internal and external audiences
- Identify and conduct research projects in collaboration with complementary organizations

- Number of citations of Forum research has increased exponentially across a wide range of quality journals and publications.
- Number of Forum references by major media channels around the world as an authoritative research driven organization.
- Increased readership of Frontiers, based on number of views of the article on the website
- Inclusion of Frontiers in additional indices and databases for scholarly work
- Number of Earned Media Impressions

- Re-affirm work already done in the research area and remind global community.
- Connect current and previous work done by The Forum and share with standard setting organization identified as the focus for standard setting in the first year.
- Identify under-researched areas in the field

EXPAND TO SECONDARY EDUCATION

The Forum has expanded its reach beyond post-secondary to serve secondary education abroad

GLOBAL CITIZENS

The Forum has developed a strategy and framework for including issues of equity, diversity and inclusion and the recognition of the roles that power and privilege play into intercultural learning that informs global citizenship – including a set of suggested attributes, skills, outlooks that define/suggest what it means to be a global citizen.

REIMAGINE EDUCATION ABROAD

The Forum will play a major role in guiding and facilitating the reemergence of global education by convening the profession to reimagine study abroad in a way that creates the best experience for students and does so inclusively and is environmentally responsible.

EDUCATION ABROAD IN ACADEMICS

Education Abroad has made a demonstrated contribution to student learning goals and outcomes in such a significant way that education abroad has been integrated to every academic major.

SMALL Start Small

- An active partnership with AFS and other relevant associations to bring the *Standards* to secondary education abroad programs.
- Work with CSJET and AFS to introduce the *Standards of Good Practice* to their secondary education members

- We are in collaboration with AAC&U to articulate global learning objectives that promote global citizenship.

- We have discussed the evolving condition and future of education abroad at The Forum Annual Conference and European Conference.
- Add new Critical Dialogues on Environmental Sustainability and disseminate new Guidelines

- Collaborate with AAC&U and others to articulate learning objectives for education abroad that can be utilized in various program models and academic subjects

Scale Fast

- We have convened colleagues from other secondary education associations to discuss how to align standards in their context.

- Forum Guidelines for Global Citizenship have been developed and disseminated
- New workshops or other programming have been developed around these new guidelines

- Faculty are engaged on the topic of education abroad curriculum integration starting with Forum members who have experience with it.
- Use The Forum's Annual Conference, European Conference, and other events (Critical Dialogues, Institutes, webinars) to disseminate and develop guidance on using education abroad to teach students about climate change and to discuss the impact of education abroad upon the environment

- Both The Forum and AAC&U disseminate these learning objectives to their respective memberships.

Headline Indicators

- Number of secondary education organizations that have become Forum members
- Number of secondary education organizations that are participating in Forum programming and/or utilizing the Standards of Good Practice

- Guidelines have been drafted and are being utilized by numerous Forum members
- The Forum has been invited to present on the new guidelines at other conferences or events

- Number of sessions or events focused on reimagining education abroad
- Amount of member engagement on programming or resources on relevant topics
- % of annual membership renewals

- Number of participants at a newly created Critical Dialogue on this topic
- Responses from members to sessions and virtual critical dialogue related to this theme, as gathered through audience evaluations.

Critical Initiatives

- Seek to collaborate with CSJET and AFS to promote the *Standards* to their secondary education membership.
- Invite targeted secondary education organizations to become members.

- Identify other associations that articulate global learning objectives that promote global citizenship
- Collaborate with experts to develop guidelines for global citizenship that are specifically created for education abroad programming

- Add the topic as a virtual Critical Dialogue
- Number of guidelines and other resources produced

- Develop and host a Virtual Critical Dialogue on this theme and encourage faculty at member institutions to attend.
- Invite session proposals for both organization's conferences that focus on these learning objectives.
